KINGSLEY BATE™
ELEGANT OUTDOOR FURNITURE

BARCELONA

CONTEMPORARY MEDITERRANEAN DESIGN

Kingsley Bate presents the Barcelona Collection, capturing the essence of its vibrant namesake city. Contemporary sophistication blends with timeless Spanish charm through premium Grade A teak and weather-resistant wicker. Drawing inspiration from Barcelona's rich architectural heritage, each piece showcases sculptural teak arms and legs that create clean, modern silhouettes, while intricate weave patterns—designed to capture the sought-after aesthetic of Danish paper cord—paying homage to traditional craftsmanship. Meticulous attention to detail is evident throughout, featuring carefully woven seat decks that provide superior comfort and support beneath plush cushions, while the versatile dining chairs perform beautifully with or without cushions, ensuring both lasting durability and refined aesthetics for sophisticated outdoor spaces.

PRODUCT RANGE:

DINING: Dining Side Chair • Dining Armchair

DEEP SEATING: Sofa • Settee • Lounge Chair • Ottoman

FINISH OPTIONS:

STOCKED: Grade A Teak with Natural Cord Wicker

MEREDITH

TIMELESS GARDEN ELEGANCE

The latest addition to Kingsley Bate's outdoor furniture line, the Meredith Collection, presents a sophisticated reinterpretation of classic garden furniture where heritage meets contemporary comfort. Drawing inspiration from traditional garden trellises, the refined collection features distinctive lattice backrests that create an elegant geometric aesthetic while maintaining visual lightness. Crafted from powder-coated aluminum, each piece achieves the perfect balance of durability and grace—offering the strength required for outdoor living while remaining effortlessly moveable. Luxurious cushions rest on supportive sling decks, ensuring superior comfort for extended outdoor gatherings. The collection perfectly complements Kingsley Bate's Tribeca aluminum dining and occasional tables, creating a cohesive outdoor living space that bridges classical and contemporary design. The dining chairs are available by special order only.

NEVIS

COASTAL LUXURY REDefined

Expanding its premium outdoor furniture offerings, Kingsley Bate unveils the Nevis Collection, capturing the serene sophistication of Caribbean coastal living. This exceptional collection combines robust powder-coated aluminum frames with meticulously crafted Tempeplex™ backrests, creating an elegant fusion of strength and style. The collection's signature Tempeplex fiber—crafted from 100% PVC-coated polyester strands expertly braided around polypropylene yarn—delivers superior weather resistance and effortless maintenance while maintaining its pristine appearance against fading and stains. Each piece in Kingsley Bate's new collection features premium sling decking beneath cushions to ensure exceptional comfort and support. The Nevis Collection pairs seamlessly with Kingsley Bate's Tribeca aluminum dining and occasional tables, creating a harmonious outdoor living space that marries tropical charm with contemporary sophistication.

CATHERINE CHAISE

NEW CHAISE JOINS CONTEMPORARY DESIGN

Kingsley Bate expands its Catherine Collection with a new chaise lounge, extending the line's signature blend of mixed materials and relaxed elegance. The collection features seating surfaces crafted from extra-large strands of all-weather wicker, arranged in a geometric pattern, which provide just the right amount of give to eliminate the need for cushions. The new chaise lounge joins the aluminum category of the collection, stocked in a White powder-coated frame complemented by Ivory wicker. For the existing Catherine pieces, customers can choose from a solid teak frame paired with Ash wicker, or a powder-coated aluminum frame in White with Ivory wicker, with additional wicker and aluminum frame color options available for customization.

QUOGUE CHAISE

CONTEMPORARY DESIGN, EXPANDED CHOICES

Kingsley Bate introduces a new chaise lounge to its popular Quogue Collection, while expanding finish options across the entire line. The collection, which combines all-weather wicker with modern upholstered seating surfaces, eliminates the need for cushions through an innovative design approach. Each piece features gently padded quick-drying reticulated foam and is upholstered in durable, easy-to-care-for Batyline™ mesh, typically drying in as little as 20 minutes after rainfall. While the collection is stocked in Rush wicker with White sling, Kingsley Bate now offers enhanced customization options across all Quogue pieces. The entire collection, including the new chaise lounge, can be special ordered in nine wicker colors paired with sling options in Bronze, Gray, Taupe, or White, providing greater design flexibility for outdoor spaces.
