Avon Lake, Ohio—Fredrick Ramond, Hinkley's premier luxury lighting brand, will showcase its freshest collections at this April's High Point Market. Inspired by the elegance of floral arrangements and the organic beauty of new Spring blossoms, FR's efflorescent chandeliers, pendants, and sconces celebrate the unique imperfections found in natural elements, truly one-of-a-kind details, and artisan-crafted finishes.

"I hope you love our latest collection, filled with stunning textured glass, carved stone, and cut crystals beautifully merged with rich finishes."
