This table lamp showcases a floral design in metal and marble, embellished with glass petals and crystal leaves, finished in soft gold. Its elegant style enhances any decor

This 17" metal desk lamp with a metal shell shade and roped stem body works for coastal, transitional and classic room settings. The shade and mounting are in a soft gold finish.

This 18" all fabric table lamp and shade in a blue floral motif sends a springtime message to be enjoyed all year long. It's base is metal in a soft gold finish.

This 25" blue and amber glass table lamp displays a mid century styling that compliments transitional and classic room settings as well.

This 18" glass domed table lamp with a functional styling brings a minimalist architectural feel to a contemporary room setting

This 26" marbled stone table lamp is enhanced by its rectangular body and shading, all mounted on a slim metal, soft gold base

This 27" metal table lamp is a minimalist answer to that modern, transitional or classic room setting. The trumpet base adds just a hint of flare.

This 66" metal floor lamp is a minimalist answer to that modern, transitional or classic room setting. The trumpet base adds just a hint of flare.

## COMPANY INFORMATION

Fangio Lighting has been producing lighting for the furniture, lighting showroom, contract and hospitality industry for over forty years. We manufacture our lamps and lampshades to meet the highest standards of quality and durability for residential and commercial applications.

All of our products are UL approved and tested in our facilities. Our lamps are assembled in the U.S.A. in our factory under our own quality control standards and specifications, or imported directly from China, under the same specifications. We have our own office in China to manage our quality control and follow our specifications through production.

In addition to our facility in Pennsylvania, we also operate a ceramic production facility which has been producing ceramic and resin lamps for over 30 years. All together we have over 2,000 molds, which we proudly display our "MADE IN THE USA" hang tags.

We can take your project from concept design to completion all under our control in our facilities. We can do priority items for you exclusively. We do hand finishing as well as custom colors on all of our products.

We have a permanent showroom in High Point, along with, a sales office in New Jersey and over 75 independent sales representatives throughout the country.

We welcome your requests and inquiries. We hope we have the opportunity to serve you in the future with all your lighting needs.
