

Take a seat in Ethnicraft's new furniture pieces this spring

Including updates to some of their most beloved collections

This season, **Ethnicraft**, the acclaimed Belgian furniture brand, debuts a new collection of furniture that **invites you to unwind, recline, and gather**—offering a variety of seating options to suit your ideal moment of rest and relaxation. Crafted with their signature quality and aesthetics, this collection is steeped in luxe materials, textures to behold, and above all, comfort to be had. So take a seat, explore the collection and find the perfect piece to shape your space.

Comfort in Generous Proportion

Bulky Modular Sofa

With **customizable modular components** designed to adapt to your lifestyle and space with ease, the new **Bulky Modular Sofa** speaks volumes to comfort with soft upholstery and generous amounts of seating. With its subtle sepia tone, rounded corners and low profile, **Bulky** provides a foundation that can be easily built upon for a variety of interiors.

Mellow Modular Sofa in new granite fabric

An expansion to the existing collection, the **Mellow Modular Sofa** is now available in a **new granite fabric**, offering the same luxury of the original design with its deep-set seating and oversized cushions with removable covers for convenient cleaning.

A Feast for the Eyes

Blend Bistro Table (Left: Ray Whisky Minerals top, Center: Solid oak top, Right: Brown tainted oak top)

For those times to gather, you can pull up a chair at their new selection of tables, to dine in style and sit in total comfort. The **Blend Bistro Table**, for example, can easily be the centerpiece of a small breakfast nook or elevate the atmosphere of an upscale bar or restaurant. The tabletops are interchangeable, offering flexibility to adapt to the aesthetic of the space they live in.

Unda Dining Chair (left); Sequence Dining Table (center)

The **Sequence Dining Table stands** as a monumental work of art, with an imposing elegance fit for well-appointed dining rooms. Though singular in style and application, each table acts as perfect companion pieces to **Ethnicraft's range of dining chairs**, including timeless updates to the **Bok** and **Eye** and a new addition to their collection, the **Unda Dining Chair**, thoughtfully combining minimalism with sophistication.

Lounging is in Session

Left: Panel Lounge Chair / Right: Aspekt Lounge Chair

A lounge chair often serves as the perfect finishing touch in living rooms, offices, and bedrooms. The new **Panel** and **Aspekt lounge chairs** easily fit the bill for those spaces, seamlessly blending vintage charm with contemporary luxury.

About Ethnicraft

For over 25 years, Ethnicraft has been creating timeless furniture from solid wood. The ultimate noble and renewable material, wood is sourced responsibly and processed with craftsmanship. As it is incredibly strong and ages well with time, Ethnicraft believes wood is what makes their furniture the solid and dependable foundation of a home. At the same time, wood is a warm and natural material with a distinctly emotional quality. Ethnicraft loves that it evolves with the years as it carries the marks of the life that happens with it. Ethnicraft creates collections for every room of the house: from the furniture that defines the purpose of a space to the objects that layer it with meaning. Nothing is more exciting than seeing how people love and use Ethnicraft products in the story of their life.
