Regina Andrew Detroit Unveils Fresh Designs Inspired by Nature at High Point Market

DETROIT, April 8, 2025 — Regina Andrew's spring introductions offer a stunning showcase of nature-inspired designs featuring a rich blend of textures — from rustic wood and gilded alabaster to tufted leather and crystal. The collection of 127 new introductions spans lighting, furniture, and décor, each designed with heirloom-quality craftsmanship and timeless elegance.

Leading the introductions is the **Marisol Pendant**, a sculptural metal fixture inspired by Swiss-designed handkerchief planters. The pendant, available in both 25-inch and 15-inch sizes, floats weightlessly in mid-air. The **Allison Pendant** casts a warm and inviting glow in clean white and softens modern spaces with its gracefully curved form and natural brass accents. Adding a touch of coastal charm to the collection, the **French Maid Chandelier**, now offered in slate blue, features a wrapped drum-shaped silhouette in a serene hue, perfect for creating a relaxed yet refined ambiance.

Regina Andrew's commitment to innovative design extends to its playful yet refined table lamps. The **Bonnie Alabaster Uplight** embraces the beauty of illuminated alabaster, offering a soft, sculptural presence with a touch dimmer that enhances its ethereal glow. The **Blobby Table Lamp** makes a statement without taking itself too seriously, while the

Destin Ceramic Mini Lamp, available in Spa Blue and ivory, features organic flowing waves arranged in a structured geometric base.

For those seeking a dramatic focal point, the **Dixon Chandelier** balances quiet strength with striking design, featuring opal white glass pillars set in natural brass, rubbed bronze, or polished nickel. The rattan **Selene Multi-Pendant Chandelier**, inspired by loosely woven seaside baskets, brings an airy, minimalist touch to modern and coastal interiors.

Beyond lighting, Regina Andrew's new furniture introductions celebrate the beauty of natural materials. The **Roan Travertine Coffee Table** pairs a natural stone top with substantial wood legs, while its hexagonal shape gives it an unexpected edge. The **Carmine Leather Sofa** in tufted cappuccino leather blends a mid-century silhouette and deep bench seat and round bolster pillows provide retro vintage charm. Adding a sculptural touch, the **Rizzo Side Table's** unexpected off-kilter silhouette draws inspiration from a bronze bell, blending organic form with industrial brass materials.

Regina Andrew is also expanding popular designs with new line extensions in their Vest, Polly, Otis, and Beretta styles. The elegant **Vest Floor Lamp**, whose mid-century modern meets art-deco style takes inspiration from a man's suit, and the **Polly Double Arm Table Lamp**, whose varied arm heights strike a perfect balance between classic and modern. The **Otis Pendant** is now available in polished nickel in large, medium, and small. The classic milk glass gives a soft, diffuse light and adds a warm glow. Finally, the **Beretta Mirror** in brown leather features soft pleats and brings texture in depth to this full-length 70" mirror.

"Regina Andrew's latest spring arrivals bring elevated craftsmanship inspired by nature and continue to reinforce the product diversity that we offer to partners and consumers", said Neil MacKenzie, Chief Marketing Officer at Regina Andrew. "We have an internal motto to seek the unexpected and we are committed to creating an heirloom-quality assortment of goods for the home for those focused on detail" added MacKenzie.

The Regina Andrew Detroit showroom is located in IHFC - IH006, Commerce, Floor 1, and all new introductions can be previewed and pre-ordered at reginaandrew.com/market.
