FOR IMMEDIATE RELEASE

Handpainted Upholstery, New Ottoman Styles, Bedding Introductions & More from Eastern Accents for Spring 2025.

Eastern Accents is bringing new designs to High Point Market for Spring 2025. The leading home textiles brand, which has its manufacturing base in Chicago, will be unveiling hand-painted upholstery, 4 new furniture styles, and 11 collections of luxury bedding.

Market attendees are invited into Eastern Accents' **Design Center**. Newly constructed in the Eastern Accents showroom, this space will provide visitors with sales materials, swatches, workspace, and more—all while knowledgeable staff is on hand to help with your project. Keep an eye out for Eastern Accents **T-shirts** sporting a seasonal blue and a familiar floral motif.

Eastern Accents' first-ever **handpainted upholstered bed** is the crowning jewel of the season, featuring brush-stroked branches and foliage to match Beatrice's botanical print. Evoking the tranquil English countryside, this bedding collection is **elegant and airy**, with a color palette of soft blues and clean whites.

New **decorative bedding** additions from Eastern Accents include inspiration from around the world. Venturing to Tuscany, San Savino's **sun-soaked botanicals** and elevated embroidery give this collection a delicate, feminine touch. Old-world Cristobal is filled with **tailored menswear** details: houndstooth plaid, velvet stripes, and real leather hide fit for a gentleman. Reach new peaks with Andes, a **modern mountain lodge** collection in rich shades of red and charcoal. And escape on a Hawaiian getaway with cheerful Kona, a tropical collection bursting with **bright colors and lively patterns**.

Renowned designer **Barclay Butera** is unveiling artisanal Ojai, blending a coastal aesthetic with global design elements. Tuthill, a new addition from **Thom Filicia**, layers patterns and textures in cozy grays and warm neutrals.

Two new glam collections are shining this season: Tilda exudes **couture glamour** with a pearly-whiten Italian velvet, screen-printed in a modern herringbone. Montaigne celebrates **jewel-toned patterns**, beaded trims, and luxe textures. Another rich color palette can be found in Giorgina from de Medici Fine Linen, whose satin damask pattern evokes **classic Americana**,

paired with light and airy accents. Finally, Eastern Accents' Niche line is introducing **cool and casual Simon**, featuring modern patterns and laser-cut details in **soothing spa tones**.

Discover Eastern Accents' master furniture craftsmanship, now available on a grand scale. **Oversized Mesa and Petra ottomans** double as coffee tables, a **fully upholstered Fulton bench** creates a striking silhouette, and **triangular Troy ottomans** offer limitless modular possibilities. Benchmade in Chicago with solid wood frames and thick padding, these furniture pieces are expertly crafted with both style and durability in mind.

See these new collections and so much more at Eastern Accents' High Point Market showroom at **Suites at Market Square G-1000**. Eastern Accents is a world-leading, family-owned designer and manufacturer of luxury bedding, draperies, decorative pillows, upholstered furniture, and more home textiles. Proudly based in Chicago, they have manufactured in their Windy City studio for over thirty five years. For more information about Eastern Accents, visit them online at www.easternaccents.com.
