FOR IMMEDIATE RELEASE

Quorum International to Debut 54 New LED Mirror Designs at Spring High Point Market

High Point, NC — April 6, 2026— [Quorum International](#), a leading name in innovative lighting and home décor solutions, announces the launch of 54 new LED mirrors across nine distinctive styles at the upcoming Spring High Point Market. This expansive introduction underscores the brand’s continued commitment to blending cutting-edge technology with sophisticated design.

Each style will be available in multiple sizes, offering flexibility for a wide range of residential and commercial applications. Designed with both aesthetics and functionality in mind, the new LED mirror collection delivers elevated performance features that today’s consumers expect.

Among the standout innovations, most of the designs, including the [Pildora series](#) and all rectangular mirrors, are designed for both vertical and horizontal installation, offering flexibility across a wide range of layouts and design applications.

The collection features intuitive touch controls for easy adjustment of settings. Five color temperature options, ranging from warm to cool light, paired with dimmable brightness allow for tailored illumination in any space. With high color accuracy, the lighting reflects true tones, making the mirrors well-suited for both residential and commercial applications.

Additional premium features include built-in anti-fog technology, ensuring clear visibility even in steamy bathroom environments, and durable glass construction for lasting quality. Most models in the collection include these enhancements, offering a well-rounded solution for designers, builders, and homeowners alike. Each mirror is also backed by a five-year warranty, reinforcing Quorum’s dedication to reliability and customer satisfaction.

“We’re excited to introduce this new comprehensive LED mirror collection at High Point Market,” said Field Bradford, Sales Director at Quorum International. “By combining versatile design options with advanced lighting technology, we’re providing solutions that meet both functional needs and modern design expectations.”

Attendees of the Spring High Point Market are invited to experience the new collection firsthand at Quorum’s showroom, located in **Suites at Market Square, M1000A-B**. For more information about Quorum International and its latest product offerings, please visit <https://quoruminternational.com/>.
