

Villa & House Celebrates 25 Years of Craftsmanship at High Point Market

April 2026 | High Point, NC

Villa & House invites buyers, designers, and members of the media to High Point Market, April 25–29, 2026, as we celebrate our 25th anniversary with over 75 new introductions and a curated series of showroom events honoring a legacy of intentional design.

Over two decades, Villa & House has thoughtfully evolved from Bungalow 5 into a brand rooted in artistry, heritage, and exceptional craftsmanship. Our 25-year journey reflects a commitment to preserving traditional techniques while offering a modern perspective on classic luxury. From hand-wrapped grasscloth and hand-hammered metal to carved solid woods and layered finishes applied by hand, many of our collections take years to perfect—each piece designed to be both beautifully made and lived with every day.

This Spring Market, we debut a new collection of bathroom vanities, fresh finishes, and refined silhouettes that continue our dedication to elevated living and enduring design. The showroom experience marks 25 years of evolution—celebrating our heritage while looking confidently toward the future.
